Yes, given the circumstances that occurred (Vice-Chairman Secakuku attended the meeting and Shaun McGrath is signing the letter), I concur with Mike's approach to addressing the letter.

As discussed yesterday I have put together a first draft of a letter to follow up on the meeting; you can view and edit it here on Sharepoint:

[https://usepa.sharepoint.com/sites/R8\\_Work/tribalFIPs/UOUintaBasinFIP/\\_layouts/15/guestaccess.aspx](https://usepa.sharepoint.com/sites/R8_Work/tribalFIPs/UOUintaBasinFIP/_layouts/15/guestaccess.aspx)

We should probably circulate it to anyone else who may want to look at it no later than Monday, but since it will be coming from our region I wanted to give this group a crack at it first to see if I have hit the right tone and captured all of the main points. Please make any edits you think appropriate, and please let me know if you have any questions. Thanks.
